Situation Reaction Test

SSB PSYCH

- ▶ Third Test of Psychology Series
- ▶ There are total 60 Scenarios presented to us in a booklet.
- ▶ Total time will be 30 Mins.

Instruction : SRT

- ▶ In this test you will find a number of situations(given in the booklet). We want to know how you will feel, think and act in these situations.
- ▶ There are no right or wrong answer to these situations. We are interested to know your responses to these situations
- ▶ Do not take too much time in thinking out the answers. Write freely that comes to your mind.
- ▶ Record your responses against relevant problem number in your answer booklet.
- ▶ There are sixty situations in the booklet, and you will be given thirty minutes to complete your answers. Try to finish all responses in the given time. A printer booklet containing 60 situations are circulated to all candidates. These are to be solved within 30 minutes.

Reactions : Type

- ▶ Attack
- ▶ Compromise
